

Inclusion of companies in the list of systemically important enterprises and permission to continue operation of enterprises

Inclusion of companies in the list of systemically important enterprises

[According to the order of the President of the Russian Federation Vladimir Putin dated March 30,](#) a list of systemically important enterprises has been formed in Russia. It is aimed at monitoring the activities of listed companies in the long term in order to determine whether a company needs government support.

Request to continue operating businesses

Validity of the [Decree of April 2,](#) setting the period from April 4 to April 30, 2020, inclusively, of non-working days with salaries retained by employees, does not apply to organizations defined by decisions of the supreme executive body of state power of a constituent entity of the Russian Federation based on the sanitary-epidemiological situation and the distribution of the COVID-19 in a constituent entity of the Russian Federation.
