3	Russian Federation	Evgeny Tanin	Head of Division of Legislation Improvement		
4	Russian Federation	Elena Savarenckaya	Counselor, Department of International Cooperation		
5	Russian Federation	Mikhail Sobolev	First Deputy Governor-Prime Minister	<b>Chukotka autonomous region</b>	
6	Russian Federation	Nataliya Slugina	Head International Relations Department		
7	Russian Federation	Anna Otke	Member of the Federal Council		
8	Russian Federation	Ermolin Evgenii	President, Geoscientist, geophysicist, PhD	<b>"GM-Service" Ltd.</b> <a href="http://geophysmethod.com">http://geophysmethod.com</a>	Ermolin Evgenii took part in more than 35 international conferences and has 16 publications in SCOPUS database. The main research area is magnetotelluric method and integrated interpretation of geophysical methods in gold exploration.
9	Russian Federation	Andrey Konyukhov	General Director	<b>N-Mining Limited</b> <a href="https://www.n-mininglimited.com">https://www.n-mininglimited.com</a>	N-Mining is a private mining company limited by shares, with a focus on deposits of base and precious metals in the Far East of the Russian Federation and in the uplands of Cyprus.
10	Russian Federation	Igor Svintitskiy	Deputy Director for Strategy Development	<b>Sibgeoconsulting</b>	SibGeoConsulting is an independent company specializing in services in the field of geological surveying, prospecting and exploration of various types of solid mineral resources, deposit feasibility studies.

## CERBA EURASIA MINING CONFERENCE DELEGATES 2019

11	Russian Federation	Oleg Kazanov	Chief Geologist	<b>Vims-geo</b> <a href="http://vims-geo.ru">http://vims-geo.ru</a>	
12	Russian Federation	Dmitriy Kozlovsky	Head of the Information and Analytical Center		
13	Russian Federation	Ekaterina Nikitina	Head. Department of set and analysis		
14	Russian Federation	Kuklin Aleksandr	Leading engineer	<b>CJSC “Aerogeophysical Surveys</b> <a href="http://aerosurveys.ru">http://aerosurveys.ru</a>	<p>CSJC AeroGeophysical Surveys has been operating on the markets of geophysical services and instrument engineering for more than 10 years. During this time we have developed the new technologies of prospecting and evaluation for hydrocarbon deposits and solid minerals exploration, have created new opportunities for solving an engineering-geological and hydrogeological tasks, have created new samples of geophysical equipment, software, have carried out thousands of kilometers of TEM and multi-offset TEM profiles.</p>
15	Russian Federation	Chernyshev Anto	Leading researcher		
16	Russian Federation	Mikhail Nartov	Deputy CEO, COO	<b>GV- Gold</b> <a href="https://www.gvgold.ru/en/">https://www.gvgold.ru/en/</a>	<p>GV Gold is a dynamically developing company with a high performance efficiency ranking in TOP-10 Russian gold mining companies. The company produces (225 koz) of gold per year and has a balanced portfolio of operating and exploration assets. Maintaining high corporate governance standards is one of the key objectives of the GV Gold Group. In its activity, the Company strives to follow the principles established within the Corporate Governance Code published in 2014 and recommended for introduction by the Bank of Russia.</p>
17	Russian Federation	Sergey Gorbachev	Deputy CEO, Procurement		
18	Russian Federation	Marina Lebedeva	Deputy CEO		
19	Russian Federation	Roman Schetinskiy	Head of Strategy and Investments Department		

## CERBA EURASIA MINING CONFERENCE DELEGATES 2019

20	Republic of Kazakhstan	Almaz Abdygalimov	Chairman	<b>QazGeology JSC</b> <a href="https://www.qazgeology.kz">https://www.qazgeology.kz</a>	Qazgeology JSC carries out a full cycle of geological exploration both within the framework of solving the state assignments on replenishment of extracted reserves of the main types of minerals in the Republic of Kazakhstan, and fulfillment of orders within the framework of private partnership to promote the development of the raw and industrial sectors of the economy.
21	Republic of Kazakhstan	Yeldar Tagash	Deputy Chairman		
22	Republic of Kazakhstan	Bauyrzhan Mudarissov	Managing Director		
23	Republic of Kazakhstan	Dinara Abdualiyeva	Manager of Investments Department		
24	Republic of Kazakhstan	Kairat Ibragimov	Deputy Director	<b>Mystau LLP</b>	
	Republic of Kazakhstan	Marat Shagirov	Director for Business Development	<b>Geoken SPC LLP</b> <a href="http://geoken.com/en/">http://geoken.com/en/</a>	As Geoken SPC LLP is specialized in a wide range of geological and geophysical services, the company seeks to strengthen existing and establish new contacts with modern geophysical equipment manufacturers as well as to keep track of the latest technology and mining operational methods development. It is also essential for Geoken to network with other industry professionals to promote business and investment opportunities between Kazakhstan and Canada and other countries.
25	Republic of Kazakhstan	Aidar Asaubayev	Chief Executive Office, Board Member	<b>Altyn PLC</b> <a href="https://altyn.uk">https://altyn.uk</a>	Altyn plc (ALTN:LN) is a London-listed Main Board company with assets in Kazakhstan. The Company's main asset is its 100% interest in the Sekisovskoye gold mine in East Kazakhstan with reserves of 2.26 Moz. The Company has a strategy to deliver transformational growth at Sekisovskoye, through its development of the underground mine, with targeted annual production of 100,000oz of gold by 2019.
26	Republic of Kazakhstan	Sanzhar Asaubayev	Executive Director, Board Member		
27	Republic of Kazakhstan	Elzhan Asaubayev	Board Member		
28	Republic of Kazakhstan	Erik Aripzhanov	General Director		
29	Republic of Kazakhstan	Galiya Kundybayeva	General Director		

## CERBA EURASIA MINING CONFERENCE DELEGATES 2019

30	Republic of Kazakhstan	Kanat Kudaibergen	Board Chairman	<b>JSC "Tau-Ken Samruk"</b> <a href="http://www.tks.kz/en/">http://www.tks.kz/en/</a>	<p>JSC «Tau-Ken Samruk» National Mining Company is a vertically integrated company and was founded in accordance with №10 Resolution of Government of the Republic of Kazakhstan, dated January 15, in order to ensure the effective operation of subsoil use in the following fields:</p> <ul style="list-style-type: none"> <li>- Exploration, development, production, processing and marketing of solid minerals;</li> <li>- Effective management of transmitted Company shares of mining and metallurgic industry;</li> <li>- Development and introduction of new high-tech and efficient technologies in mining industry.</li> </ul>
31	Republic of Kazakhstan	Sanzhar Asaubayev	Executive Director, Board Member		
32	Republic of Kazakhstan	Elzhan Asaubayev	Board Member		
33	Republic of Kazakhstan	Erik Aripzhanov	General Director		
34	Republic of Kazakhstan	Baglan Anarbekuly	Senior investment manager		
35	Republic of Kazakhstan	Nurlan Saurambayev	Chief Business Development Director		
	Republic of Kazakhstan	Askar Sadu	Chief Business Director		
36	Republic of Kazakhstan	Tieukabyl Abdulin	Founder	<b>"TechnoGran-Aktobe"</b> <b>LLP</b>	<p>Copper production in Kostanai region, Exploration of copper ore in the Zhezdybassay and Beskempir deposits in the Mangystau region (West) Kazakhstan. Iron production plant (MT3 №2) Construction JV with "Tyazhpromexport" on ROMELT technology.</p>
37	Republic of Kazakhstan	Gulmira Abdulina	Financial Director		
38	Republic of Kazakhstan	Olzhas Sartai	Manager		
39	Republic of Kazakhstan	Ablai Sartai	Specialist		
40	Republic of Kazakhstan	Kairgeldy Kabyldin	Deputy General Director	<b>Caspian Pipeline Consortium-K JCS</b> <a href="http://www.cpc.ru/">http://www.cpc.ru/</a>	<p>CPC is the largest international oil transportation project with participation of Russia, Kazakhstan and world leading producer companies, which was established for construction and operation of the trunk oil pipeline more than 1,500 km long.</p>

## CERBA EURASIA MINING CONFERENCE DELEGATES 2019

41	Republic of Kazakhstan	Saparbek Tuyakbayev	Chairman	<p style="text-align: center;"><b>NAC "Kazakh Invest"</b>  <a href="https://invest.gov.kz">https://invest.gov.kz</a></p>	<p>Kazakh Invest was established by the Government of Kazakhstan to attract high-quality inward investment to the country. We provide a full range of services to support investment projects - from the conception of the initial idea right through to project implementation, as well as delivering retained support for established businesses.</p> <p>Kazakh Invest's role:</p> <ul style="list-style-type: none"> <li>• We are a single point of contact for international investors considering investing in Kazakhstan.</li> <li>• We are a single point of access to the public service system. This includes helping investors understand what government support is available and how to apply and secure the permits and documents necessary to invest in Kazakh businesses.</li> </ul> <p>As the primary point of contact for inward investment, Kazakh Invest significantly reduces the need for foreign investors to interact with multiple governmental and regulatory bodies.</p>
42	Republic of Kazakhstan	Rustam Issatayev	Deputy CEO		
43	Republic of Kazakhstan	Almas Agibayev	Managing Director		
44	Republic of Kazakhstan	Arystan Galiyev	Country manager		
45	Republic of Kazakhstan	Bauyrzhan Aitkulov	Project Manager		
46	Republic of Kazakhstan	Daulet Asylbayev	Project Manager		
47	Republic of Uzbekistan	Jakhongir Nasimov	General Director	<p style="text-align: center;"><b>JV HANJIN DNB EQUIPMENTS LLC</b></p>	<p>E JV Hanjin Equipments is interested in establishing contacts with manufacturers of drilling rigs for diamond core drilling as well as looking for prospective partners to join the assembly of drilling rigs in Uzbekistan.</p>
48	Republic of Uzbekistan	Alokhon Varisov	Acting Director	<p style="text-align: center;"><b>SE Gosgeolinformcenter</b></p>	<p>Development of provisional and permanent quality requirements for calculation and mineral reserve calculation in subsoil and other tasks.</p> <p>Gathering, processing, storage and release of geological and other information on subsoil containing in reports, maps, atlases.</p>

## CERBA EURASIA MINING CONFERENCE DELEGATES 2019

49	Republic of Uzbekistan	Bobir Islamov	Chairman	<b>Goscomgeology</b> <a href="http://uzgeolcom.uz/en/">http://uzgeolcom.uz/en/</a>	Goscomgeology coordinates and supports work on geological studies of subsoil, fulfilment of an assignment on reserves growth of hydromineral resources, hard industrial minerals, ferrous and rare metals, rare earth elements, and geological assignments on forming, strengthening and expansion of the mineral resources base of the Republic (except for hydrocarbon material, precious and non-ferrous metals, uranium) and other work in the field of geological studies of the territory of the Republic.
50	Republic of Uzbekistan	Azam Kadirkhodjaev	First Deputy Chairman		
51	Republic of Uzbekistan	Avazbek Daminov	Head of Investments Department		
52	Republic of Uzbekistan	Djamshid Ismailov	Director	<b>State Unitary Enterprise Uz GEORANGMETLITI</b> <a href="http://georang.uz">http://georang.uz</a>	State Unitary Enterprise "GEORANGMETLITI" specializes in all types of integrated design, survey, and research work for the construction and reconstruction of mining, metallurgical, engineering, instrument-making and other enterprises in the Republic of Uzbekistan and CIS countries.
53	Republic of Uzbekistan	Khusniddin Abdurakhmanov	Head of Mining Department		
54	Mongolia	Manduul Nyamandeleq	Head of Securities and Registration Division	<b>Erdenes Tavan Tolgoi</b> <a href="http://www.erdenestt.mn">http://www.erdenestt.mn</a>	Tavan Tolgoi is one of the world's largest untapped coking and thermal coal deposits, located in southern Mongolia.
