Dear CERBA Members and Partners,

[Canada's anti-spam legislation](#) (CASL) was created in 2014 to reinforce best practices in email marketing and combat spam and related issues like unauthorized alteration of transmission data.

More about CASL available at the next [link >>](#)

CERBA **does not** share nor sell our member, attendee, or partner information. If you are contacted by companies attempting to sell you this information, please contact us and report the fraud to CASL at the next [link >>](#)

An example of a fraud attempt to sell you the information:

Thank you.

Sincerely,
CERBA team
